Hi Dr. Kaye,  
I entered and saved your time for Monday (8a-5p). Let me know if you are having any other problems with the rest of the week.

Thank you,

Beesh

**Subject:** Kronos not accepting time input for Monday 10/29/18

Good Morning Beesh,

I am unable to enter my time into Kronos for last week because Kronos blocked out Monday, 10/29. It is yellowed out with a grayed out X next to that date). Therefore, I cannot put in for my time on that day so I cannot complete and electronically sign my timesheet for last week. Please advise

Thank for your attention to this matter.
